

# Human rights in social work curricula

*Embed human rights in the social work curricula in an integrated and explicit way*

Michiel Lochtenberg & Jeroen Knevel

Amsterdam University  
of Applied Sciences

# TWO LEVELS

## 1. PROGRAMS

The level of required courses and elective courses offered throughout the curriculum

## 2. LEARNING ACTIVITIES

The level of didactic methods, didactic teaching and exercises that are used to teach about, learn about, learn for and through human rights

**How human rights should be embedded into social work curricula?**

**Integrated  
Explicit**

**Example**

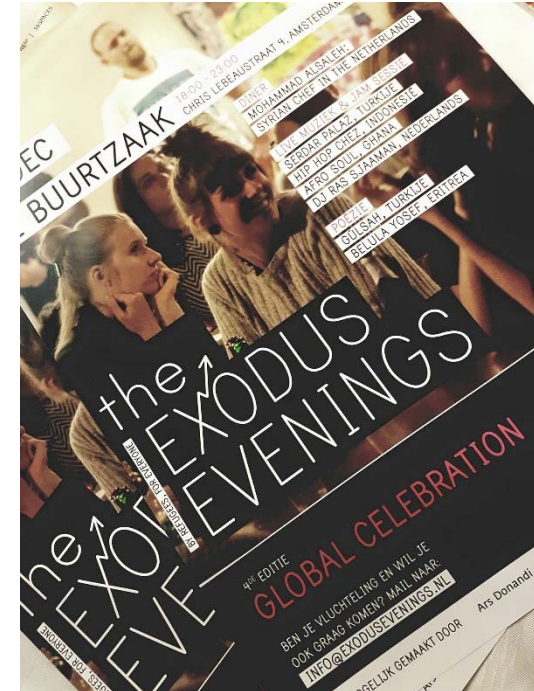

**Amsterdam University  
of Applied Sciences**
